BLANES WILL PLAY THE SEMIFINALS AS FIRST OF GROUP

Viva Habitat Blanes has overcome France for 3-0 after a great first time.

The initial goal of Ramon Benito at minute 1, surprising the French, has marked the fate of a match that has been solved in the first half with the goals of Armengol and Sánchez. In the second part the French have accused the fact of playing two matches in a same day and they have not been able to play as good as a Blanes, thinking more on keeping strength for the semi-finals that will play Saturday vs. Catalonia at 17:15 (Canal 33).

Ernest Freixas has halted every balls again and remains as the only goalkeeper of the tournament that have not received a goal.

Before the start of the match, there has been a homage to Àlex Ros, who was vicepresident of Blanes HC
