### CATALONIA WIN ITALIA 2-1

Catalonia has classified as first of group after beatng Italy 2-1, in their second consecutive victory.

The first goal has been scored by Raül Pelicano (goalscorer leader at the moment) after kicking a penalty at minute 10. This goal have not changed the match and both teams have been fighting hardly in an intense match that has arrived to halftime with 1-0. On second half the game has continued with great plays and Llaveroia has done a good job to leave the score as it was, when Xavi Brichs has done the 2-0 that gave calm to Catalans ten minutes before end. But at last minutes Squeo has scored the 2-1, recovering the emotion, although Catalonia would classify as first of group even with the draw.
