### FRANCE-ANGOLA 4-3

France has beaten Angola 4-3 in a balanced match.

French have advanced on scoreboard with two goals in the first ten minutes (Landrin and Huvelin) what presaged a comfortable match, but two goals scored within one minute for Angola (Kwenha and Kiza) have left a draw in the scoreboard till, one minute before half time, Landrin has kicked a penalty for the 3-2. On second half Henry scored on minute 44 and Miguel replied with the 4-3 one minute later, returning the emotion to the match.

The French victory advances them to semifinals, with the chance to reach the top position of the group if they win Viva Habitat Blanes in the last match of their double-match day. Angola will play for the fifth place with Switzerland in the last match of Saturday, at 21:00.
