CATALONIA, CHAMPIONS OF THE GOLDEN CUP

Catalonia is the champion of the Golden Cup after beating Viva Habitat Blanes in the final 4-2.

The first occasion of the match has been of Miquel Angel Sanchez who has sent the ball to the pole and the match has continued with a phase of many fouls that cut the rhythm of the game, until Brichs scored in the minute 6 turning a shot of Del Amor (1-0). Several changes of Catalonia have been useful for keeping fresh the players, who continued attacking with new clear opportunities and some shots on the pole. Blanes has increased the pressure on the goal of Llaverola until Àlex Ridaura has been able to finish off a far shot that has made Rodriguez for drawing the match. Blanes has risen with this goal, and Àlex Ridaura has shot a ball on the pole and later Llaverola has halted a direct foul launched by Dani Rodriguez.

The second half has started also with an intense game and to the minute 33 Armengol has surprised Llaverola -that was waiting for a pass on the second pole- to make a strong shot on the first pole for advancing Blanes with the 2-1. Little afterwards Blanes would have been able to sentence, but Llaverola has halted a direct foul of Armengol. This has given strength to the Catalans that have reacted with a goal of Selva (2-2) and a great goal of Pelicano that has shot from the center of the field and has entered for the set square. At two minutes for the end Brichs has sentenced with the 4-3

At the end of the match, the mayor of Blanes, Josep Trias has given Jaume Llaverola the Cup of Winners for Catalonia and a prize of 6.000 euros to stay in the new sportive complex in Blanes. Viva Habitat Blanes has received the trophy of second place and a stay of 3.000 euros in the new sportive complex in Blanes. Pelicano and Brichs (Catalonia) have been the top goalscorers with 7 goals both.
