CATALUNYA BEATS COLOMBIA 1-11

This has been the match with the biggest scored of the tournament until now with a result of 1-11. The Catalan players wanted to demonstrate that the match of yesterday was an accident making many goals in front of the Colombians which they had achieved to tie 1-1 in the first moments but that they have not been able to stop the good game of the Catalans. Tomorrow the Catalan Team will have to repeat the good game in front of the Viva Hàbitat Blanes to classify for the semi-finals.
