CATALONIA WIN ITALY

Catalonia has won clearly Italy for 13-2 demonstrating their level of game in a match that has started very well for the Italians with a 0-2 won to minute 4, with goals of Vannucci and Galeassi, with the general surprise. But a partial of 5-0 started with two goals by Cristina Barceló, one of Paula Torner, one of Maria Rosa Tamburini and another of Barceló have left the Italians without power of reaction. Another goal of Barceló before the halftime has left the scoreboard in 2-6.

On the second half has continued the good game of the Catalans with 7 goals more of Mònica Piosa (2), Laura Salvador, Marta Soler Iolanda Font (2) and Emma Corominas.

This high score can give the Catalans the title if tomorrow they win Chile, since they tied with the Frenchwomen, that now are the direct rivals to the title after winning to the Chileans, and that it could be decided on the difference of goals.
